

Technical Data

Size	40x40x87
Function	readonly
Antenna	round
Supply Voltage	24 V DC +10/-20% (inkl. ripple)
Current draw	max. 50mA without load
Current per Output	max. 50 mA
Voltage drop	< 1.5 V
Operating temperature	0...+60°C
Protection per IEC 60529	IP 67 (only when assembled)
Mounting in steel	non-flush
Housing material	PBT
Conductor Cross Section	with mounting base BIS L-503-PU1...
LED Controls	yes
Description	Processor unit Read-Only, 8 bit parallel, read head M12
Comments	with mounting base BIS L-503...

Kenndaten in Verbindung mit Datenträger (in Freizone eingebaut)	Bei v = 0 (statischer Zustand)
